Name of Applicant: \_\_\_\_\_

We would appreciate your opinion of the applicant named above for graduate admission to the International Physics Course (IPC), Osaka University. The IPC is particularly interested in an evaluation of the applicant's potential for achievement in the field of physics. Explicit descriptions of academic strengths and weaknesses are more helpful than routine praise. Comments about character, integrity or motivation are also appreciated, if pertinent. Please describe the experience upon which your opinion is based. Rankings should be related to other students in the same class or academic program, or other persons of comparable experience.
