International Café 「Experience Japanese Culture」

International Café ‘Experience Japanese Culture’ was held on 11th of January 2018 (Thursday) from 16:00 at International Exchange Salon. 15 international students and 12 Japanese students, in total 27 people attended. At the party, we ate handmade ‘Rice cake’ which is essential to Japanese New Year, and tried ‘Kakizome’ which means the first writing in a year. And, we also enjoyed playing traditional Japanese toy ‘Karuta cards’ and ‘Kendama’

Company Tour

On 12th January 2018, our international students visited companies to understand the culture of Japanese companies as well as think of their future careers in Japan. They initially visited Toray’s Shiga plant. After taking a lecture on Toray’s chemical research and technologies, they had a tour of Innovation Plaza and Films & Film Products Research Laboratories. Subsequently, they visited DAIKIN Technology and Innovation Center located in Osaka, which was introduced to advanced environmental technologies and its facilities. Our students actively asked questions and had discussions with people in the companies.

Visitors from JST Japan-Asia Youth Exchange Program in Science

10 university students from India visited the Graduate School of Science (G.S.S.) on 16th of January 2018 (Tuesday). They went on a Laboratory tour in G.S.S.. And then they tried to make ‘Takoyaki’ which is a ball-shaped Japanese snack made of a wheat flour supported by Science Buddy and Osaka University international students.
