

Bus Tour for International Students of GSS

June 2nd, 2019 bus tour for international students in the Graduate School of Science was held. 44 participants, including 38 International students went to Shiga Prefecture by bus.

The students experienced pottery at Shigaraki. After that, they had lunch using Shigaraki-ware. They also went to the Lake Biwa Museum and Omi Jingu Shrine. The students were delighted that they could go to the largest lake in Japan.
