Orientation for Graduate International Students in autumn

On September 30 2019, the orientation for graduate international students enrolled in autumn was held at the International Exchange Salon. 33 people attended the orientation including 24 new students, faculty members and members of international exchange group Science Buddy. The chair of the International Affairs Committee, Professor KUBO gave welcome remarks and then the faculty staffs explained to the international students the supporting system of Graduate School of Science, tips on living, and procedures of enrollments all in English.
