

2023–2024 Academic Year

## **Guidelines for Applying for Admission to the Graduate School of Science, Osaka University As a Research Student**

November 2022

1. You should meet either of the following application requirements to be accepted as a research student at the Graduate School of Science of Osaka University (as a “Graduate School Research Student”), subject to screening.
  - (1) Individuals who hold a master’s degree or expect to earn one by end of the month prior to the month in which they wish to enroll.
  - (2) Individuals who are recognized by the Graduate School of Science as having academic capabilities equal to or exceeding those who hold a master’s degree
2. The enrollment date of Graduate School Research Students is in principal April 1 or October 1, 2023 unless there are extenuating circumstances.
3. Prior to applying for admission as a Graduate School Research Student, contact the prospective supervisor of the Graduate School of Science and obtain his/her approval of your application in advance. Note that when applying, you must submit the application form with seals of the prospective supervisor and the Chair of the department you desire to enroll in.
4. The application fee, enrollment fee and tuition fees as of the date of the preparation of this document are as shown in the following table, which are subject to change without notice.

Application fee	9,800 yen	Applicants should pay the application fee at a bank (except Japan Post Bank) using the prescribed payment form* in advance and submit the Certificate of Payment along with application documents to the Office of the Graduate School of Science. Bank charges, if any, should be paid by the applicant.  The application fee, once paid, will not be refunded, except in the following cases: <ul style="list-style-type: none"><li>- Application documents are not submitted or accepted</li><li>- Application fee is paid twice by mistake</li></ul>
Enrollment fee	84,600 yen	After announcement of application results, successful applicants should pay the enrollment fee at a bank (except Japan Post Bank) using the prescribed payment form and submit the Certificate of Payment to the Office of the Graduate School of Science as part of enrollment procedures. A Certificate of Enrollment will be sent to each successful applicant upon receipt of the Certificate of Payment of the Enrollment Fee. Bank charges, if any, should be paid by the applicant.  The enrollment fee, once paid, will not be refunded, except in the following cases: <ul style="list-style-type: none"><li>- Enrollment procedures are not performed</li><li>- Enrollment fee is paid twice by mistake</li></ul>
Tuition fees	28,900 yen per month	The amount of 28,900 yen multiplied by the number of months of expected enrollment should be paid for tuition fees. If the enrollment period is six months or longer, the tuition fees should be paid every six months (173,400 yen per six-month period). Tuition fees should be paid at a bank (except Japan Post Bank) using a payment form sent by Osaka University. Bank charges, if any, should be paid by the student.  Tuition fees, once paid, will not be refunded, except in the following case: <ul style="list-style-type: none"><li>- Tuition fees are paid twice by mistake</li></ul>

\*The application fee invoice will be sent by e-mail. Please inform us which invoice you would like to prefer that domestic remittance or overseas remittance.

5. Application procedures  
To apply for admission, submit the following documents to the Office of the Graduate School of Science.  
If you choose to submit these documents by mail, send them by registered mail to the Office of the Graduate School of

Science at the address shown in the “Contact information” of section 9. (11), using an envelope with “Research student application documents inside” written in red ink on the front side.

(1) Application documents

Documents to be submitted	Instructions	Remarks
Application Form	Use the prescribed form, which should have the seals of the prospective supervisor and the Chair of the department you desire to enroll in, as a proof of their approval of your application

 (Room A111, Building A, Graduate School of Science)

\* Application must be postmarked on or before March 13 (Enrollment in **April**) or September 11 (Mon.) (Enrollment in **October**).

\* If you fail to complete the enrollment procedures within the period, you are deemed to have decided not to enroll.

(3) Note

If your enrollment date is not April 1 or October 1, 2023, complete the enrollment procedures by the date designated by the Office of Graduate School of Science.

8. Payment of tuition fees

The tuition fees for the April–September period and for the October–March period should be paid by the end of May and end of November respectively.

9. Other instructions

- (1) If you submitted a Certification of Expected Completion when applying for admission, you should submit a Certification of Graduation upon completion of the relevant program.
- (2) After enrollment, you must have a health check regularly provided to students by Osaka University.
- (3) You should take out Personal Accident Insurance for Students Pursuing Education and Research (Gakkensai).
- (4) If you are an unsponsored international student, you should submit a document that verifies your status of residence and period of stay (e.g., a copy of your residence card) to Osaka University after your enrollment as soon as possible.
- (5) If you wish to withdraw from Osaka University before the end of the period of enrollment, you should submit a “Request for Voluntary Withdrawal (Graduate School Research Student)” form at least 30 days prior to the desired date of voluntary withdrawal for approval by the Dean of the Graduate School of Science.
- (6) In principle, the period of enrollment is until March 31, 2024. If you wish to extend the period of enrollment for the purpose of your research, you should submit a “Request for Extension of Enrollment Period (Graduate School Research Student)” form by February 2 (Fri.), 2024 for approval by the Dean of the Graduate School of Science.
- (7) If you wish to withdraw from Osaka University at or before the end of the enrollment period, you should submit a “Research Report (Graduate School Research Student)” form before your withdrawal. This also applies if you request an extension of your enrollment period.
- (8) If you become employed during your period of enrollment, you should submit an “Employer’s Declaration of Consent” form to the Office of the Graduate School of Science.
- (9) Personal information you submitted to Osaka University to apply for admission, such as your name and address, will be used by the university for the processing of admission procedures (e.g., screening applicants /handling applications, announcing application results, and dealing with enrollment procedures.) Personal information of successful applicants will be also used for handling educational matters such as maintaining student registers, providing research guidance, and collecting tuition fees.
- (10) If it is impossible for you to complete the procedures above within a specified period, please contact us.
- (11) If you have any questions, please inquire at the Office of the Graduate School of Science.
