

The University of Osaka
Graduate School of Science
International Physics Course (IPC)

Evaluation Letter

for enrollment
in April or October 2027

Deadline: Friday 6 November, 2026

The recommendation form should be completed by the supervisor or an instructor qualified to evaluate the applicant's physics education and sent directly to the IPC Office, the University of Osaka, by e-mail by the application deadline. The evaluator may either use this form or provide their evaluation in a separate document.

Please note that we would appreciate your opinion of the applicant named below for graduate admission to the International Physics Course (IPC), the University of Osaka. The IPC is particularly interested in an evaluation of the applicant's potential for achievement in the field of physics. Explicit descriptions of academic strengths and weaknesses are more helpful than routine praise. Comments about character, integrity or motivation are also appreciated, if pertinent. Please indicate your impressions of the applicant regarding intellectual ability, diligence, motivation, aptitude for research work, and character, as well as the reasons why the applicant is recommended for the IPC.
