

Invitation to
International Summer Program

July 18 – August 30, 2023

An Introduction of the ISP

The **International Summer Program (ISP)** is an intensive research program offered by the Graduate School of Science (GSS) at Osaka University, Japan for international undergraduate* students majoring in natural sciences and related fields.

The program provides the opportunity to acquire the experience of research-based studies in assigned research groups of the Graduate School of Science.

*Master's course students from cooperating universities can be accepted.

The ISP 2021 and 2022 were held online.

ISP 2021 https://www.sci.osaka-u.ac.jp/en/news/2532_1/

ISP 2022 https://www.sci.osaka-u.ac.jp/en/news/8793_1/

Osaka University International House, Toyonaka

Tsukumodai International Student Dormitory

2019 ISP students share their feelings

Satisfied

lecturer and staff included in ISP

Laboratory

Toyonaka International House

Better than my imagination

Love

Hope to see you in the future

Fall in love in Japan

Wonderful Farewell Party

Thank you

Everything is Great.

The presentation experience improved me a lot.

I am willing to study at Osaka University if I can.

I enjoyed working on the lab project with other students and meeting from different countries.

I met a lot of foreign students for six weeks.

2019 ISP

2018 ISP students share their feelings

Fall in love in Japan.

Hope to see you in the future.

Love

Satisfied.

Wonderful!

Professional work style

Better than my imagination.

Thank you

I am willing to study at Osaka University if I can.

Everything is Great.

2018 ISP
