3cm×4cm, color)

※ The attached photo will
be printed on your UOsaka
student ID card.

Section 1: Personal Details

1. Name exactly as shown in your passport

Surname

Given names

2. Nationality/All Nationalities

3. Sex

4. Date of Birth

- Male
- Female
- Other
- I don't want to answer.

5. Present Contact Details

Home Address:	
Tel. +	Email:

6. Emergency Contact Details

Full Name	Relationship
Address:	
Tel. +	E-mail

7. Home Institution

University (English name) _____

Faculty / School _____

Department _____

Major Field of your study _____

Entrance:

Academic Year during the 2026 ISP (July 16 to August 27, 2026):

Please select the appropriate one below. If your academic year will change during the program, please check "Others" and provide details in parentheses.

- Freshman (1st year in Bachelor course)
- Sophomore (2nd year in Bachelor course)
- Junior (3rd year in Bachelor course)
- Senior (4th year in Bachelor course)
- 1st year student in Master course
- 2nd year student in Master course
- Others ()
e.g. (from freshman to sophomore)

Please note that students who will progress from Bachelor to Master course, or graduate from Bachelor or Master courses during the program are not eligible to apply.

8. Expected Date of Graduation

9. Educational Background (from high school to present)

* *For present home university, please indicate the period from Enrollment date (yyyy/mm) to the expected graduation date (yyyy/mm).*

Name of Institution	Location	Degree	Period (From~To) (yyyy/mm ~ yyyy/mm)
			~
			~
			~
			~

10. Study Abroad Experience (if applicable)

Name of Institution	Location	Period (yyyy/mm ~ yyyy/mm)
		~
		~
		~

11. Job History (if applicable)

Section 2: Language Proficiency Details

1. Language Self Evaluation

	Native language	Excellent	Good	Fair	Poor
Japanese	<input type="checkbox"/>				
English	<input type="checkbox"/>				
(Others: Specify)	<input type="checkbox"/>				
(Others: Specify)	<input type="checkbox"/>				

2. Language Qualification

If you have a certificate of language proficiency, such as TOEFL, IELTS, TOEIC, JLPT (Japanese Language Proficiency Test), etc., specify the details below. Submit evidence of language proficiency (English and/or Japanese) written in English to the Online Application.

(1) Name of the test:	
(2) Date of the test:	
(3) Result of Test (Score / Classification)	

Section 3: Scholarship

Q1. A limited number of qualified students may be eligible for a scholarship. Do you wish to apply for a scholarship?

- Yes, however, I wish to attend the International Summer Program regardless of receiving a scholarship.
- Yes, however, I will not participate in the International Summer Program if I do not receive a scholarship.
- No, I do not need a scholarship.

※ This section does not affect the selection process of ISP participating members.

Q2. Those who chose "Yes" in the Q1, :If you are applying for any other scholarships to participate in the 2026 ISP at your own institution, or you have already been selected for one to participate in the 2026 ISP, specify the information below. If you are receiving a scholarship for your daily student life not for applying the 2026 ISP, you do not need to specify it here.

Name of the scholarship: _____

When will (did) you receive the selection result? _____

Amount received per month: _____ /month (in the given currency. Do not convert to JPY.)

Section 4: Tuition Waiver Application

The tuition waiver is only available for students who belong to faculties of universities (research institutes) that have concluded **inter-departmental agreements** with the Graduate School of Science, The University of Osaka, and who are sent **based on the MOU on Student Exchange**. The tuition waiver does not apply to inter-university agreements. Only those who have been selected for the 2026 ISP will be processed. However, please note that not all of those who apply for the tuition fee exemption will necessarily be exempt from tuition fees.

- I'd like to participate in 2026 ISP even if I am not selected for Tuition Waiver.
- I'd like to decline the participation for 2026 ISP if I am not selected for Tuition Waiver.
- My home institution has **NOT** concluded inter-departmental agreements with the Graduate School of Science, The University of Osaka (No MOU on Student Exchange).

Statement of Purpose (Research Interests)

<2026 International Summer Program>

(Please type.)

Name in full: _____

Major/Minor field of study at your university: _____

Lab name (Supervisor) you would like to join:

1. Department of _____ Lab name (Supervisor): _____
2. Department of _____ Lab name (Supervisor): _____
3. Department of _____ Lab name (Supervisor): _____

(1) State your reasons for applying for the International Summer Program and describe your research interests (what kind of research you would like to do) in detail.

※This part is the most important factors in determining your host lab (supervisor(s)), please be sure to fill them out clearly.

(2) Describe your research area and demonstrate a familiarity with the field and/or topic at your home institution(s).

(3) Describe your laboratory experience (e.g., student labs, individual research, etc.) at your home institution(s). Describe any experimental equipment, apparatus, etc. you have used in the past (if applicable).

NOTES

- Choose three research groups or faculty members you would like to belong to from the following websites.

Department of Mathematics

Choose professors or associate professors from Mathematics, Graduate School of Science (Toyonaka Campus).

Department of Physics

Choose supervisors (faculty members) you wish to study under from the website above.
Also, to review research topics, please visit the "[Research Groups](#)" website.

Department of Chemistry

Choose laboratories from the above website except for "Cooperative Adjunct Division" and "Concurrent Division".

Department of Biological Sciences

Choose laboratories located on either the Toyonaka or Suita campus.
Please note that laboratories composed solely of assistant professors cannot be chosen.

Department of Macromolecular Science

Choose research groups from the above website except for "Polymer Reaction Chemistry", "Polymeric Materials Design", "Protein Crystallography", "Supramolecular Crystallography", and "Chemistry for Environment and Safety".

Department of Earth and Space Science

Choose research groups from the above website
