If you a ot need to specify i	(1, :If you are app you have already be re receiving a schoot t here.	olying for any other been selected for o blarship for your da	r scholarships to p one to participate i aily student life not	n the 2026 ISP,
Name of the When will (did Amount rece	d) you receive the	selection result? /month	(in the given curre	ency. Do not conve	rt to JPY.)
Section 4: Tuition	. Waiver ∆nnlicat	rion			

The tuition waiver is only available for students who belong to faculties of universities (research institutes) that have concluded inter-departmental agreements with the Graduate School of Science, The University of Osaka, and who are sent based on the MOU on Student Exchange. The tuition waiver does not apply to inter-university agreements. Only those who have been selected for the 2026 ISP will be processed. However, please note that not all of those who apply for the tuition fee exemption will necessarily be exempt from tuition fees.

I'd like to participate in 2026 ISP even if I am not selected for Tuition Waiver.
I'd like to decline the participation for 2026 ISP if I am not selected for Tuition Waiver.
My home institution has NOT concluded inter-departmental agreements with the Graduate
School of Science, The University of Osaka (No MOU on Student Exchange).

Statement of Purpose (Research Interests) <2026 International Summer Program>

(Please type.)

Name in full:	
Major/Minor field of study at your university: Lab name (Supervisor) you would like to join:	
1. Department of Lab name (Supervisor):	
2. Department of Lab name (Supervisor):	
1. Department of Lab name (Supervisor): Lab name (Supervisor): Lab name (Supervisor): Lab name (Supervisor):	
(1) State your reasons for applying for the International Summer Program and describe your research interests (what kind of research you would like to do) in detail. ※This part is the most important factors in determining your host lab (supervisor(s)), please be sure to fill them o clearly.	

(2)	Describe your institution(s).	research	area	and	demo	onstrate	e a far	niliarity	with	the	field	and/or	topic	at	your	home

websites.

Department of Mathematics

Choose professors or associate professors from Mathematics, Graduate School of Science (Toyonaka Campus).

Department of Physics

Choose supervisors (faculty members) you wish to study under from the website above.

Also, to review research topics, please visit the "Research Groups" website.

Department of Chemistry

Choose laboratories from the above website except for "Cooperative Adjunct Division" and "Concurrent Division".

Department of Biological Sciences

Choose laboratories located on either the Toyonaka or Suita campus.

Please note that laboratories composed solely of assistant professors cannot be chosen.

Department of Macromolecular Science

Choose research groups from the above website except for "Polymer Reaction Chemistry", "Polymeric Materials Design", "Protein Crystallography", "Supramolecular Crystallography", and "Chemistry for Environment and Safety".

Department of Earth and Space Science

Choose research groups from the above website
