

To Master's Program Applicants who wish to take the entrance examination outside of Japan
(Special Integrated Science Course Enrollment in October 2023)

1. Outline

As a general rule, applicants need to come to Osaka University in Japan to take the entrance examination because it is conducted on campus. Therefore, those who are living abroad at the time of application should start visa application procedures for Short-Term Stay right after the SISC application. However, if applicants meet the condition below, they may be allowed to take the entrance examination online outside of Japan.

2. Condition for Application

It is expected to be highly difficult for the applicant to arrive in Japan and take the entrance examination in time as of June 30, 2023.

3. Application Steps and Documents

(a) Application Documents

- (1) Application form for online examination
- (2) A document which proves that it is highly difficult to arrive in Japan and take the entrance examination in time as of June 30, 2023.

(b) Application Steps

【Step 1】

Consult with your prospective supervisor and submit form (a)(1) to him/her.

【Step 2】

After getting form (a)(1) signed by your prospective supervisor, please submit both (a)(1) and (a)(2) to the Office of the GSS.
