

An Introduction of the ISP

The **International Summer Program** (**ISP**) at the Graduate School of Science is an intensive research internship for overseas students majoring in natural sciences and related fields in sciences.

This year, the program will be held online.

The ISP this year will give you the opportunity to learn about the research activities being conducted in the six departments that make up the Graduate School of Science at Osaka University.

ISP2021 Online Program Features

Learn about the research activities being conducted in each department

Enjoy social and cultural activities with ISP participants and students in Osaka University

Learn about Japanese culture and society

Graduate School of Science

OUR DEPARTMENTS

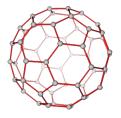

MATHEMATICS

Important Dates for 2021 ISP

May 13 – June 13, 2021

Registration Period

(https://reg.sci.osaka-u.ac.jp/lm/index.php/769378?lang=en)

By July 5, 2021

Detailed Information

(Each participant will receive email(s))

July 13 – 21, 2021

ISP program online

Our ISP students share their feelings (before 2019)

Satisfied

ICD

Love

Hope to see you in the future

lecturer and staff included in ISP

Laboratory

Toyonaka International House

Better than my imagination

Fall in love in Japan

Wonderful Farewell Party

Thank you

Everything is Great.

The presentation experience improved me a lot.

I am willing to study at Osaka University if I can.

I enjoyed working on the lab project with other students and meeting from different countries.

I met a lot of foreign students for six weeks.

Previous activates (before 2019)
