Bus Tour for International Students

Visiting Ishikawa and Fukui, we enjoyed gold leaf pasting experience and Tojinbo.

Although the time was limited, the works of international students were so amazing, we were surprised by their creativity.

At Tojinbo, we explored the cliffs taking pictures each other.

Picture Chain Game

The picture chain game was held!

New students participated in this event as well as the old members and enjoyed this language barrier-free game.

Sometimes recovered, sometimes messed up. It was so funny.

After that we also had fun with making ORIGAMI !
