大阪大学
THE UNIVERSITY OF OSAKA

Faculty Position in the Graduate School of Science, the University of Osaka

Outline	Department of Chemistry, Graduate School of Science, the University of Osaka, invites applications from candidates with a strong commitment to innovative research in the field described below, active engagement in education, and collaboration with faculty members in related fields to further advance education and research. Research Field Physical chemistry of chemical reactions involving atoms, molecules, and molecular assemblies, using distinctive experimental approaches. The scope also includes research aimed at elucidating the fundamental principles underlying the development of new functional molecules, materials, and catalysts through an understanding of chemical reactions and reaction environments. The successful candidate will be expected to conduct research, teach courses at both the undergraduate and graduate levels, including general education courses, and actively contribute to the administration of the Faculty and Graduate School of Science.
1. Position	Professor
2. Number of Positions	1 (One)
3. Affiliation	Graduate School of Science (Division of Physical Chemistry, Department of Chemistry)
4. Work Location	Toyonaka Campus (1-1 Machikaneyama, Toyonaka, Osaka, Japan)
5. Specialized Field	Chemical Kinetics and Dynamics
6. Responsibilities	・Research in the areas described above. ・Educational activities for undergraduate and graduate school students ・Administrative duties in Graduate School of Science and the University of Osaka
7. Qualifications	Applicants must have: (1) A doctoral degree or equivalent qualifications or achievements (2) Excellent research achievements in the related field/s (3) Commitment to positively contribute to the educational activities and management of the School of Science and Graduate School of Science (4) Business level or above Japanese language proficiency
8. Starting Date	As soon as possible after decision
9. Term of Employment	No Fixed Term (Until the end of the fiscal year at 65 years of age)
10. Probationary Period	6 months
11. Employment Type	Based on “6. Regulations Pertaining to Working Hours, Holidays and Leave for National University Corporation Osaka University Staff” https://www.osaka-u.ac.jp/en/guide/information/joho/kitei_shugyou.html *The Discretionary Labor System, Special Work Type will be applied with the applicant’s consent. (deemed working hours: 8 hours a day)
12. Salary and Benefits	Based on “18. Salary Regulations for National University Corporation Osaka University Staff Subject to New Annual Salary System” https://www.osaka-u.ac.jp/en/guide/information/joho/kitei_shugyou.html
13. Insurance	Medical insurance and employee’s pension insurance of the Federation of National Public Service Personnel Mutual Aid Associations, Employment Insurance and Industrial Accident Compensation Insurance

14. Application Documents	Applications must be written in English or Japanese and include the following 1. A Curriculum Vitae (with photo attached) *Please use the university form for educational/research positions available at the following website. https://www.osaka-u.ac.jp/en/news/employ/links 2. A list of research achievements with major ones marked (peer-reviewed original articles, review papers, books, patents, presentations at international conferences, awards and prizes with their outline) 3. Reprints of major original papers (up to 10 papers) 4. An outline of research and education achievements (within two A4 pages) 5. A research plan and educational aspirations (within two A4 pages) 6. Name, affiliation, and contact information of two professional references who are willing to be contacted *Personal information in the application documents will only be used for the purpose of screening and hiring procedures, and will not be disclosed to any third party.
15. Sending Address and Contact Information	Applicants should compile application documents (1–6) into PDF files, combine them into a single ZIP file, and submit it through the JREC-IN Portal online application system (https://jrecin.jst.go.jp/). Application page: https://jrecin.jst.go.jp/seek/SeekJorDetail?id=D126102316&ln=1 If there is any difficulty in submitting through the Portal system, please submit by postal service: Attention: Professor Yoshitaka KASAMATSU Department of Chemistry, Graduate School of Science, The University of Osaka 1-1 Machikaneyama-cho, Toyonaka-city, Osaka, 560-0043 JAPAN *Please write “Application for faculty position (Professor in Physical Chemistry Division)” on the front of the envelope in red ink. * Please submit the above documents together with their PDF files, recorded on electronic media such as USB memory. *Applications should be sent by registered mail or courier. *Submitted application documents will not be returned. Contact Person: Professor Yoshitaka KASAMATSU Tel: +81-6-6850-5415 E-mail: kasa@chem.sci.osaka-u.ac.jp
16. Application Deadline	No later than February 26, 2027 (Japan Standard Time) Applications submitted by post must be received by the deadline.
17. Selection Process	Document screening will be followed by interviews. Selected applicants will be notified. *Travel and accommodation expenses necessary for interviews are to be covered by the applicant.
18. Additional Information	This laboratory in the Division of Physical Chemistry has the following faculty positions: Professor (the position advertised here), Associate Professor (Dock-Chil CHE), and Assistant Professor (Tomoki MISAKA). Concerning work conditions other than the above-mentioned, please refer to “3. Work Regulations for National University Corporation Osaka University Staff” and/or related regulations. https://www.osaka-u.ac.jp/en/guide/information/joho/kitei_shugyou.html Please note the above-mentioned work conditions are as of the day this employment offer is posted, and subject to change. After employment, the affiliation, work location, and responsibilities may be subject to change within the limits set by the University. “Deemed exports" related to security export control are based on “Regulations Pertaining to Security Export Control”.

	Rules and Regulations － The University of Osaka We also particularly encourage applications from female candidates. The University of Osaka is committed to promoting gender equality and providing various supports for female academic staff members. https://www.di.osaka-u.ac.jp/ The University of Osaka is committed to creating a harassment-free environment and conducts a variety of awareness-raising and educational activities. If you have any concerns or become aware of any inappropriate behavior, remarks, or treatment, please feel free to contact our consultation office. https://www.osaka-u.ac.jp/en/campus/life/prevention_sh/prevention_sh * The University of Osaka campuses and related facilities are smoke-free, except for designated areas. *National University Corporation Osaka University is the same as the University of Osaka.
19. Recruiter	The University of Osaka
